

# AZEK Deck

## AZEK Deck, the #1 brand of stain resistant decking

First there was wood. Then composites. And now, there's AZEK Deck. AZEK Deck, made with Procell® Technology, is the next generation of decking that will transform your very notion of building a deck.

The fastest growing brand of decking on the market, AZEK Deck is built to withstand a houseful of household objects, like spilled wine, fruit punch, and even hamburger grease.

AZEK Deck, made by AZEK Building Products has building code reports ICC ESR-1074 and CCRR-0101. AZEK Building Products also manufactures AZEK Moulding and AZEK Trim, the #1 brand of trim.

## AZEK Porch

AZEK Porch is the ultimate porch plank. Made with Procell® Technology, AZEK Porch is the first porch flooring to fulfill the promise of beauty and durability. Better than wood or composites, AZEK Porch resists moisture, scratches, and stains. Its solid durability makes AZEK Porch a great choice for covered or uncovered applications.

Available in two popular colors, Brownstone and Slate Gray, AZEK Porch is a tongue and groove board that installs easily without visible fasteners. AZEK Porch gives the look of a traditional porch floor with fewer hassles.

## AZEK Rail

AZEK Rail offers three lines of low maintenance, great looking railings that complement any exterior and work well with AZEK Deck and AZEK Porch.

- AZEK Premier Railing is a Colonial style, flat-top railing with handrails and posts in a variety of colors.
- AZEK Trademark Railing, with a rounded handrail, reflects a Victorian style.
- AZEK Reserve is the ultimate railing. With generously sized handrails and posts, AZEK Reserve offers a flat-top rail guaranteed to impress.
