

With TimberTech, you can build a dream deck with confidence, and enjoy the **Less Work. More Life.®** promise.

TimberTech is a leading manufacturer of decking, railing and lighting products for residential and commercial applications. The company offers an expansive suite of durable, low-maintenance outdoor solutions in an unmatched selection of colors and styles. A leader in quality, innovation and brand, TimberTech products are consistent in color, shape and size.

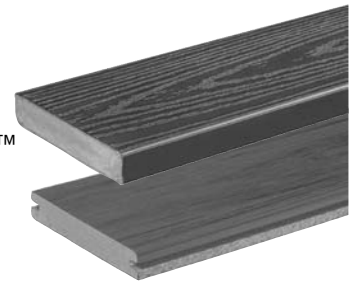

XLM® PLANK

Industry Leader In Fire Resistance

XLM is engineered from PVC to provide unparalleled scratch, mildew and stain resistance. This extreme low-maintenance product is the only PVC deck board with a Class A Flame Spread Rating.

- Colors: Mountain Cedar, RiverRock and SandRidge have two surface choices on one plank – VertiGrain™ and Flat Grain; NEW Desert Bronze offers a one-sided Flat Grain surface
- No pre-drilling is required
- Spans a maximum of 16" on-center

EARTHWOOD® PLANK

Luxurious Hardwood Appearance

The warm, rich colors and authentic natural grain of our premium Earthwood planks offer you the look of the world's most treasured exotic hardwoods. Our exclusive VertiGrain surface treatment recreates the subtle beauty only found in nature.

- Colors: Rosewood, Teak and Walnut
- Spans a maximum of 20" on-center

FLOORIZON® PLANK

Hidden Fasteners, Visible Beauty

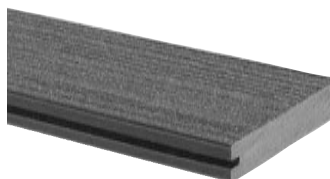

Floorizon's self-gapping hidden fastener system provides 11% more surface coverage than traditional profiles.

- Colors: Cedar, Grey, Redwood, Rosewood, Teak and Walnut
- VertiGrain surface
- Spans a maximum 24" on-center for reduced framing and material needs

Special installation requirements apply to Floorizon. Visit timbertech.com for details.

TWINFINISH® PLANK

Look And Feel Of Real Wood

The alluring VertiGrain surface of TwinFinish provides a traditional deck appearance, while the serrated back, though not recommended for the deck surface, is great for accents like benches and flower boxes.

- Colors: Cedar, Grey and Redwood
- Spans 20" on-center

All TimberTech deck planks have a 25-year limited warranty for residential applications. All planks are available in 12', 16' and 20' lengths. XLM, Earthwood, and TwinFinish are available in solid and grooved profiles. ValuPlank™ and DockSider™ are available in a solid profile.

RADIANCERAIL®

Quiet, Clean Sophistication

TimberTech's most popular rail system is easy to install and gives you more color combinations. Hidden hardware creates sleek, smooth lines while the sturdy architectural design eliminates rattles and squeaks.

- Colors: Coastal White, Classic Black, Mountain Cedar, RiverRock and SandRidge
- Rail Kit includes material for one straight or stair rail section
- Post Covers, Post Caps and Post Skirts sold separately
- 25-year limited warranty for residential applications

ORNAMENTAL RAIL

Traditional Fit, Form and Function

Created for those who prefer a more traditional style, Ornamental Rail is timeless and has the look and feel of real wood.

- Colors: Cedar, Grey and Redwood
- Rail Kit includes material for one straight or stair rail section
- Baluster Kit contains Square Balusters for one 6' or 8' section in 36" rail heights
- Post Covers, Post Caps and Post Skirts sold separately
- 25-year limited warranty for residential applications

DECKLITES®

Elegant, Finishing Touches

Crafted to complement and enhance the brilliance of TimberTech decks, this chic lighting system was designed with both safety and style in mind. DeckLites are low voltage and energy efficient.

The Post Cap Light Module generates a subtle, inviting glow around TimberTech RadianceRail or Ornamental Rail Post Caps. Accent Lights, Baluster Mounting Blocks and Riser Lights are available in Architectural Bronze.

- Other components include: Wire, Wire Connectors, Wire Guides, a 120-Volt Transformer and Replacement Bulbs
- Lights and fixtures include bulbs and installation hardware
- All items sold separately
- DeckLites components have a 5-year warranty for residential applications
